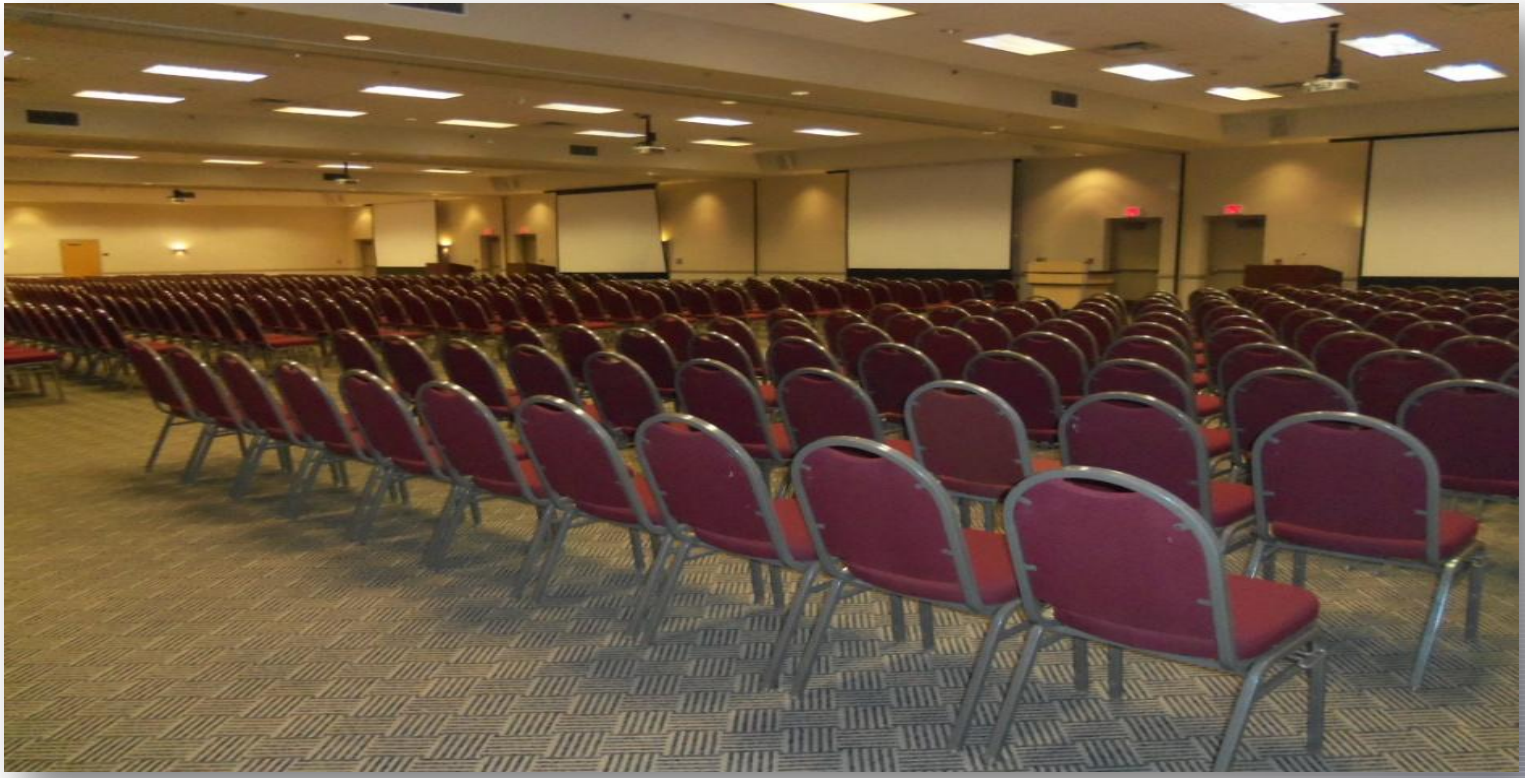
Conference Facility Capabilities

Collins Center

The Collins Center is a diverse, state-of-the-art conference facility that can accommodate large groups.



Collins Center

Break-Out Rooms
Theatre Style /Classroom Style

The ability to configure the building space allows for a multitude of set-up options to include general session rooms, break out areas, computer labs, classrooms and offices. The Collins Center offers the ability to separate the space into 6 separate rooms.

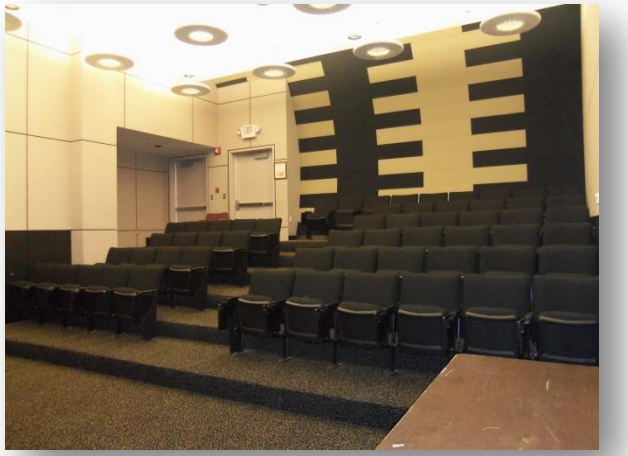
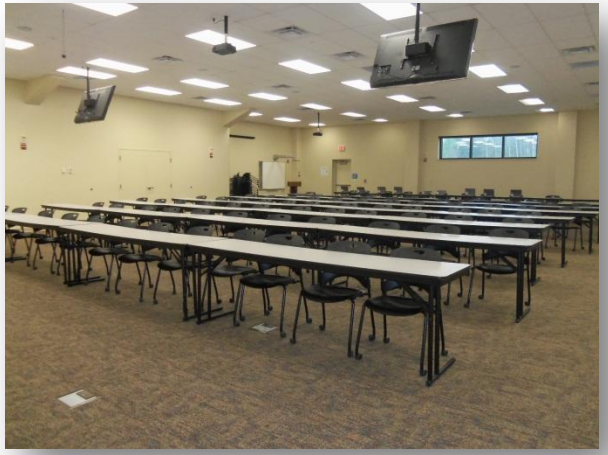
Breakout Rooms

In addition to the Collins Center, the Alpena CRTC can provide access to multiple breakout rooms for training, discussion, exercises, team building or general use.





Billeting

The Alpena CRTC provides billeting at no cost to ANG personnel ($3.50/night for DoD components & $14/night for civilian personnel). Our Services section can tailor your accommodations to suit your needs to ensure mission success.

All billeting includes access to a refrigerator, microwave, iron, ironing board, television, laundry, vending and common areas. WI FI is available in the newer billeting facilities and DV rooms.

Dining

The Alpena CRTC offers the use of our Dining Facility to provide meals during your event.

This facility can accommodate large groups and can be configured to suit your need.

River Club

The Alpena CRTC is home to the River Club – an independent, non-profit organization that serves its members and military personnel.

The River Club provides customized menus and dining options that can range from buffets or plated dinners to cookouts and snacks. In addition, the River Club has the ability to provide on-site catering for an event.

In the evenings, the River Club transforms into a hub of social activity as guests gather to play pool, listen to music and toast the day's activities.
