

Facility Use: Authorization to use any CRTC facilities is based on The table below. The current, approved rates for dormitory and facility use fees are published separately. Air National Guard units, tenants and transient users will not be charged for services provided unless the user requests a level of service that exceeds the day-to-day CRTC service. Examples include, but are not limited to: ground fuel, propane for fire-training, portable toilet rental, cook support contract use, food, and property or equipment damage.
